- are not a British or Irish citizen and your immigration status changes. If you are a European Union, European Economic Area or Swiss citizen and were living in the UK by 31 December 2020 but have not applied to the EU Settlement Scheme, you and your family must apply straight away. If you have lived in the UK for 5 years or more in a row, you can apply for settled status. If you have pre-settled status this will not expire. It may be beneficial for you to apply for settled status if you have lived in the UK for 5 years or more in a row

Changes can affect the amount of PIP you get. Depending on the change your PIP could go up, go down, stay the same or stop.

If we overpay you because you have not told us about a change, you may have to pay the money back.

If you do not tell us about any changes straight away, you risk being prosecuted or having to face a financial penalty.

Please also tell us straight away if you:

- change your name, address or landline or mobile phone number
- change the account that we pay your benefit into
- change doctor or health professional
- have someone acting for you and that person changes
